Because of the interference from mobile phones, the use of synthesised transmitters in this club is not allowed (the synthesised function must be disabled, if it has this option) Also, because of the proximity of the full-size runway, we do not allow gas turbine flying. If joining part way through the calendar year, then the club subscriptions are on a pro-rata basis. Also if joining as a family, then there are special terms, so in either case, confirm the charges with the secretary below.

Note to parents, guardians and carers:

Whilst this club has a moral and statutory duty to take all reasonable steps to ensure the general welfare and protection of children and vulnerable adult members. In particular during the actual act of model aircraft flying and associated pre-flight and post-flight procedures, the Club will not undertake the all encompassing responsibilities of those acting in the role of guardians or carers unless specifically arranged.

Our activities at the flying site do not finish at a regular time. It is therefore your responsibility to ensure the well being of your charge over and above arranging a predetermined collection time. Should you wish to leave a child or vulnerable adult at the

flying site, it is your responsibility to arrange for one of the qualified club members to supervise him / her during your absence and if necessary, make arrangements for the member to be able to make contact with you.

Should your child have any special medical or physical needs you are required to advise the Club in writing.

Should physical contact be required during model flying for instructional or any other purposes these will be explained to you and you will be required to record your agreement in writing defining the type and limits of contact.

Should the Club wish to use a photographic image of your child, the Club will follow the guidelines laid down by the NSPCC Child Protection in Sport Unit detailed on Page 25 of the BMFA policy and guidelines. In addition, your written consent will be required for the Club to do so.

In addition the BMFA and this Club have specific rules and policies relating to children and vulnerable adults. A copy of which has been provided to you, and you are required to study it carefully, in particular Page 19 of the BMFA policy and guidelines: "Guide for the Parents, Guardians and Carers of Children and Vulnerable Adults".

This membership application form must be countersigned by the parent or guardian, if the applicant is under 18 years of age, or by the authorised carer of a vulnerable adult, thereby signifying acceptance of the conditions of membership.

Should you wish to discuss any issue, have any concerns or have suggestions on how we may improve our policies, then please contact: "The Club Secretary" or contact one of the help lines on Page 6 of the BMFA policy and guidelines as you deem appropriate
